Summary

“

This project will create a simple ePaper website for Prasanth Arockiasamy. It will allow readers to view daily newspaper editions online. The website will have an easy-to-use admin panel for uploading new editions and a clean, mobile-friendly design for readers.

Objectives

01

Develop a simple, user-friendly ePaper website.

02

Provide an easy-to-use admin panel for uploading editions.

03

Ensure mobile-friendly and responsive design.

04

Enable readers to easily view and navigate daily newspaper editions.

Scope of the Project

- **Design and Development:** Build a fully functional ePaper website with a clean, easy-to-use interface.
- **Admin Panel:** Create a simple dashboard for the admin to upload and manage newspaper editions
- **User Features:** Allow users to view, zoom, and navigate daily editions on mobile and desktop.
- **Support:** Provide basic guidance and support after the website is delivered.

Timeline

Task	Duration
Design and layout of the website	Day 1-2
Develop ePaper viewer and admin panel	Day 3-4
Integrate admin functionalities	Day 5
Testing and final adjustments	Day 6
Final review and delivery	Day 7

Cost Estimate

Description	Amount
Website Development	₹ 1000
Total (One-time)	₹ 1000
